

The Hopewell Valley Green Team Recycling Event

Saturday September 12, 2020, 12-3 PM (rain or shine)

At the parking lot behind the Hopewell Borough Municipal Building, 88 East Broad Street, Hopewell

Styrofoam

CLEAN white Styrofoam blocks and coolers used for shipping will be reprocessed by Princeton Moulding, Somerville, NJ. Do **NOT** bring egg containers or packing peanuts.

Wine Corks

Wine bottle corks (real cork, not synthetic) will be recycled via CorkClub (www.corkclub.com).

CDs and DVDs

CDs, DVDs, and empty jewel cases (remove paper inserts) will be taken to Back Thru The Future, Technology Disposal, Franklin, NJ.

Pens, Pencils, Markers, Highlighters

Pens, pencils, markers and highlighters will be shipped to Terracycle (<https://zerowastebboxes.terracycle.com/>).

Covid-19 Protocol

Residents must wear a mask at all times (also inside your car).

Green Team volunteers will only collect items from the trunk/back of your car.

Please put small items in a box or transparent bag for easy collection; boxes/bags will not be returned.

For last minute updates, check: hopewellvalleygreenteam.org.

Questions? email: hvgreenteam@gmail.com.

Hopewell Valley residents and businesses are welcome!
