

Re-Home Unwanted Goods

Hopewell Valley Green Team

Below is a list of avenues and opportunities for unloading items you no longer need but are in good condition and someone else can reuse. Donating pre-loved items to charities or selling/giving directly to others in your neighborhood is an excellent way to divert useful objects, clothing and bulky stuff from a landfill. If you know of an establishment or resource that should be added to this list please let us know via email: hvgreenteam@gmail.com *[updated August 3, 2026]*
